**a non-exclusive license to create paper copies, as per quantities listed, of the grantor's copyrighted musical score listed below. The scores are for the use of the above named organization only and are not for loan or re-sale. In addition, this license does not grant the right to reproduce the work in any electronic format (including electronic transmission or creation of files, disks, etc). This license does not grant the right to modify the work.**

**Please note that the copyright notice and granted license number contained within the music must be a part of any reproduction.**

### In addition to the right to create limited copies, this document also grants the following:

**For any K-12 type of school,** the grantor waives any performance license fees. This assures rights of performance under the usual Fair Use guidelines, as well as rights for performances that may fall outside of Fair Use guidelines. Colleges, universities, professional and community choirs, solo artists, etc., must contact the grantor regarding performance rights waivers or agreements.

**For all organizations or solo artists,** the right to create and distribute up to 50 CDs of a performance without the need for a mechanical license, provided that the grantor (Paul Carey) is given a copy of the CD free of charge and is allowed to use excerpts from the CD as promotional material. CD production and distribution over 50 copies must have a mechanical license. Please contact Paul Carey directly for details.

**This limited license is effective as of the date of payment in full into the grantor's electronic account (PayPal), or payment of fee otherwise.**

**Please be advised that all copyright permissions are granted to the purchasing organization and remain with that organization.**
